

British Riding Clubs British Eventing Novice League

British Riding Clubs (BRC) and British Eventing (BE) have teamed up to offer an exciting opportunity to those BRC members competing at Novice level with BE.

A league will be published on the BRC website and points will be awarded to all BRC members who complete a Novice or Open Novice section at a BE event between 1st March and 31st October 2017. BRC and BE will be awarding prizes to tenth place.

“We are delighted to be working so closely with BE on this exciting opportunity for our members” Laura Sanger, Head of BRC. “It is great to be able to recognise those BRC members who are competing at that level. We are grateful to BE for affording us this opportunity and are excited to see how it progresses over the season.”

BE Sport Operations Manager Chris Farr added; “This new initiative is designed for BRC members to give them the chance to compete in a league at Novice level. We thought this would be a great opportunity to work together with BRC and benefit members of both BE and BRC, along with giving them a new league to aim for throughout the season.”

Qualification criteria and League points allocation:

- Points will be allocated to all BRC members who complete a Novice or Open Novice section between 1 March and 31 October 2017.
- The top 15 placing's will be numbered from 15 – 1 for points purpose. So if a BRC member came second in a section, they would get 14 points. If a BRC member came 15th in a section, they would get 1 point, etc.
- Any BRC member that comes lower than 15th in a section, but completes the competition, will also get 1 point.
- All League results are for the rider only, not horse / rider combinations. Therefore if a rider has a result on more than one horse, these will all count towards the League results.

BRC will publish the League table on this page and update it every week as the results come in.
