Introduction

We are delighted to be returning to Swalcliffe Park Equestrian for the 2022 British Riding Clubs Horse Trials Championships. Once again we have the pleasure of welcoming NAF as title sponsor, who are very generously supporting us.

Incorporating one, two and three day an event, this championship has both senior and junior competitors competing throughout the whole weekend. The senior and junior 80 will be one day, the open 80 (short format) and 90 classes (long format) are two day and the 100 and 100+ classes are both three day and long format. Long format consists of dressage, show jumping, roads and tracks, steeplechase and cross-country. See the BRC Handbook for further information.

Entries

Entries are by invitation only to those that have qualified sent via email to brcentries@bhs.org.uk. Please note entries close on **14 July 2022**.

Times

Classes are provisionally scheduled to start and finish at the following times. All times are approximate and subject to change. Updated information will be available on the BHS website or BRC Facebook page. Times will be posted on our website www.britishridingclubs.org.uk approximately one week before the championship. Times are selected randomly by computer and cannot be altered. Please note that competitors should be ready to jump before their time in case the competition runs early. Stabling

For stabling information, including making a stable booking, please see the following link: <https://brc.bhs.org.uk/> Please note, all stables at this event will be temporary stables and on grass, there are no permanent stables available.

Take care when booking stables to ensure you are booking on to the correct championship. Making a booking for the wrong championship could risk there not being a stable available. There are limited stables available.

Hook-up

There will be no hook-up available at this event.

Flu Vaccination Certificates

All competing horses and ponies must have an up to date full flu vaccination certificate and comply with BRC rules. If your flu vaccination does not comply, or you do not bring the complete record with you, you will be eliminated.

Please refer to the current BRC Handbook for the full rules on vaccination certificates. Please note the full handbook is available online. A flu vac checker is also available to download from the downloads section of the BRC website.

Hats & Body Protectors

Hats meeting the current standards must always be worn and securely fastened when mounted. It is also advised to wear a hat when handling on the ground. Body Protectors are mandatory for the cross-country phase and must be up to the current standard. Up to date standards can be found in the BRC Handbook or on the website.

Refund Policy

Failure to decline a championship invitation before the close of entry so it can be passed down the line may result in the club being charged the entry fee.

Please see the BRC Handbook for details on the refund policy in G2.3 and G9 for stabling.

Presentations

Presentations will be approximately 30 minutes after final results have been posted. Please check the scoreboard for the time of presentations. Delays to the presentation will be as a result of objections or queries that will need to be resolved before it can go ahead. Attendance for the presentation will be as per the programme.

Salvers

Salvers awarded at championships must be signed for by a nominated person who is then responsible for that salver. It must be engraved and returned to the office on the date stated on the form by recorded delivery and must be packaged with care. Any loss/damage or failure to return the salver by the specified date will result in the club concerned being invoiced for the cost of a replacement. BRC may also refer such matters to the BRC Discipline committee.

Additional awards

There are five extra awards that can be won over the weekend at no extra cost – an entry form just needs to be filled in and returned. These are as follows:

Alexa King Award - awarded to the highest placed individual in the Senior 90 class under the age of 25.

Carefree Memorial Trophy – awarded to the most successful horse and rider combination in the 100+ section, where the horse is either ridden or owned by the breeder.
